Yeah 2gether's in the house put your hands in the air
cause we'll make you bounce. come on yeah 2gether's
in the house put your hands in the air cause we'll make
you bounce.

It's been so long since I've seen your face. So long
since I've been to 1st base (strike 3 you're out.) I really
miss the feel of your kiss. But can I have back my
things before I get really pissed? You had my heart my
soul my attention. But you walked out of my life with my
CD collection. (We're breaking up)

Chorus: Breakin' up is hard enough (woah oh oh) You
say you have nothin' but I called your bluff. You got my
sweaters my hat I can't find my cat (meow) The hardest
part of breakin' up is gettin' back your stuff.

Yeah 2gether's in the house put your hands in the air
cause we'll make you bounce. Come on yeah 2gether's
in the house put your hands in the air cause we'll make
you bounce. So tell me girl do I have to say please? Or
do I have to involve the police. (We have you
surrounded) There was a time when I'd trust you alone.
I'd call you up girl but you took my phone. You borrow
stuff every time I turn my back (hey that's mine!!) I
can't believe I went out with a KLEP-TO-MA-NIAC (we're
breakin' up)

Chorus

spoken: Man you ever break up with a girl and she
keeps your stuff? Man wassup with dat? I don't know
man there's somethin' wrong you know what I'm sayin'?
Somethin' wrong with dat.

Yeah. Mickey Parke up in this mug. Here we go 1 2

Rap: yeah yeah yeah U + me it dosen't= us you took
my car now I gotta take the bus. I thought I had a girl
that I could trust I guess I never knew my calculus

CHORUS X2
