Let's get to know each other better
in a speacial way
I think about you, baby
Each night and day
but your always hangin' out
With the girl next door
you do each others make-up
and so much more
Fridays for the parties
when your parents are gone
I think about you, girls
How we could get it on

Chorus: U&U&Me;
2gether we make 3
In perfect harmony
Just U&U&Me;
U&U&Me;
2gether we make 3
a perfect fantasy
Just U&U&Me;
(U&U&Me;
2gether we make 3)

When I think about you, girls
it makes me feel so fine
And when I call you on the phone
i need the party line
(What's up ,girls?)
Playin spin the bottle
kisses sweet as wine
I must've won the lotto
to hit U&U&I
(jackpot!)
Chorus (2x)

Listen girls,
(talking)
When you kiss me
on my mouth
and down my neck

all at the same time
when you both whisper different things
into different ears
I can't try to pretend
Girlfriends

U&U&Me;
(yea, yea, yea, yea)
2gether we make 3, whoa
(U&U&Me;)
U&U&Me;
(yea, yea, yea, yea)
2gether we make 3, whoa
Chrous(2x)
U&U&Me;
2gether we make 3, whoa
u&u&me;
2gether we make 3
u&u&me;
