mmm, ye-ah ohh baby
Girl, when I think about you
I only think of one thing
you know what that is (only think of one thing)
I lock my door
Get down on the floor
and I rub one out, baby
I sit back in my chair
Like I just don't care
and I rub one out baby
When I'm feeling lonely
And I want you to hold me
I rub one out yeah
Rub one out
Hey don't be shy (girl, don't be shy)
Rub one out
Girl, don't ask why (don't even ask me why)
Rub one out
I'll grab my crotch (grab my crotch)
Rub one out
Do you wanna watch?
When I'm alone (UGH!)
And you're on the phone
I rub one out, yeah
When I'm feeling HOTT
and I'm all in a knot
I rub one out
So baby don't be shy
Don't ask why
I rub one out, baby, yeah
Rub one out
Hey don't be shy (don't be shy)
Rub one out
Girl, don't ask why (baby don't think of askin' me why)
Rub one out
I'll grab my crotch (I'll grab my crotch)
Rub one out
Do you wanna watch?
Girl I wanna get inside you
Or at least get beside you
oohh my machine (you don't want to know what that is),
warm and sexy, ohhh ohh

It's not enough
Kissing and stuff
So I rub one out (I rub one out on you)
When you're not here
And I want you near
I rub one out (rub one out for you, yeah)
Rub one out
Hey don't be shy
Rub one out
Girl, don't ask why
Rub one out
I'll grab my crotch (I'll grab my crotch)
Rub one out
Do you wanna watch?
Watch..
