"Hammer Of Doom"

In the evening rain, I was standing outside... the hell
opera
I've been there before, a while ago... with Nosferatu
Saw the execution of my tomorrow... saw it and bowed
In the theater, of hellfire... the inferno is now!

I am lost again, I lean against... the purgatory gates
To ease my suffering, you're offering... to unlock my
fate
The black rhapsody, I cannot breathe... inside my tomb
The devil's centurion, my world goes boom... The
Hammer of Doom

The Hammer of Doom

Ain't no sunshine where I go
I stand where no roses grow
Desperate in the Typhoon
Swinging the Hammer of Doom
