Mirror, mirror upon the wall
Magic demon eye
A realm of madness
Awakened by the call

Speak the ancient
Words of images
Try to take control
The essence of evil
A challenge for your soul

The battle of minds
The riddle the rhymes
Beware of the darkness behind
Usurped and enslaved
Redeemed and betrayed
The devil in the mirror, obey

Iridescent pulsation light
Glowing in its heart
The surface is reflecting
Nightmares of your mind

Green mist swirling deep within
A dark dimension takes from
The grip of clawed hands
Drags you inside

The battle of minds
The riddle the rhymes
Beware of the darkness behind
Usurped and enslaved
Redeemed and betrayed
The devil in the mirror, obey

Enchanted with powers
To conquer your soul
Good or evil it won't mind
The mirror of darkness is blind

Feel the presence, the voice of the dark
Break the balance, intrudes your mind

Try to deny, oh master of fools
Captured forever, the loser learns the rules
