Deep was my anguish for those words  
they froze my blood and chained my soul  
the master had spoken, the truth, not any lies  
The devil gives and evil takes  
the things in life that man forsakes  
a throne in hell, a price or a sacrifice?  
Still the wind was blowing soft  
and gentle here under the oak  
which gave me shelter and rest for my trial  
"I'm not strong, weak is my mind  
a new beginning, where to find?  
I'm the last one on earth, please forgive us our crime"  
It was a time, when love was mine  
now it's time, to sacrifice  
My heart, bleeding for my race  
the traces of mankind swept out by the hands of our  
lord  
I cried, for the ones I had lost  
Midnight in paradise, grief, away goes my hope  
I cried for, the ones I had lost  
"Hear my prayers, climbing on the clouds above

Silent cry, reach the inner halls of truth

Give me a sign!

A crimson sky, bless my eyes

up goes the sun, my time has come

[It has come
