Headed downtown  
Runnin' through these hoes like a crow  
'Do you fuck wit'out a rubba?' He'll no!  
You can hit the shower while I blaze up this bud  
Remember, if I call you a bitch, it's only love  
Dubs for all the girls up in this bitch  
especially the ones who be fuckin' and shit  
and suckin' my dick- You beggin' me to stick it in

Fuckin' me? I'm tryin' ta fuck her!  
She's puttin' in work, now watch her suck squirt ("Oh,

Show her to the car  
and don't get mad  
'cause, baby, this is where we part  
Ya know Dre's in charge. ("Where ya goin'?")  
EASTSIIIIIDE, NIGGA!

I love it when they take it off and break me off  
I love it when they take it off and break me off  
I love it when they take it off and break me off  
I love it when they take it off and break me off  
I love it when they take it off and break me off  
I love it when they take it off and break me off  
We be FUCKIN'! ("FUCKIN'! FUCKIN'...")
