Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Comin thru in the things you do to me
Love Sex Intelligence

My LSI is all that you require
Your LSI it is my heart's desire
Together we are Strong
Enough to carry on and on and on
Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Comin thru in the things you do to me
Love Sex Intelligence
I need your LSI so give me your Love Sex Intelligence
I need your LSI so give me your Love Sex Intelligence

LSI Love Sex Intelligence
Coming on like a Seventh Sense
LSI define the Pleasure Principle
To make Mind Body and Soul Invincible
LSI getting high like Adrenalin
Pure as Diamond Cool and Crystalline
LSI Love Sex Intelligence
Coming on like a Seventh Sense

Love Sex Intelligence
Love Sex Intelligence
Love Sex Intelligence
Comin thru in the things you do to me
Love Sex Intelligence
I need your LSI so give me your Love Sex Intelligence
I need your LSI so give me your Love Sex Intelligence

Let me take time to define in a Rhyme
LSI Three reasons why I carry on
And my mind feels strong so hold on
I know that this is the one
With a Love so Strong and Emotion Intense
I need your Love Sex Intelligence

It makes sense to keep playing the Game
Our Dimension has changed
You're putting me on a plane of Mind Peace
And all our problems will cease
And on the rights to your heart I want a permanent
lease
Founded on Trust and built on Strong ground
Keeping those walls just tumbling down between us
With no stress and no fuss LSI is the bond between us
And I like it like that without any pretence
I need your Love Sex Intelligence
