Aww, baby
What the hell are you waiting for?

I've been patient but I'm anxious
To tell you exactly how I feel and
You could be my boo, for real and
I've been trying to let you chill but
Baby, it's a must I do put a rush on you
'Cause I never know when I'll get the chance again, I
Don't think you understand how for real I am
So, come on, let me show you

Baby, I will be your angel
I'll be the guardian girl for you
Baby, I'ma protect your heart
You don't gotta put up your guard
Just give me a chance, baby, baby
I'll be down for you

Oh, what ya say darling?
I know you're feeling me
'Cause I be looking at you looking at me
Especially when I got on them Baby Phat jeans
But now I really wanna be more than just a homie
I know you're feeling me 'cause your best friend told
me
You be talking about me all the time when I'm not
around
Boy, don't be scared 'cause

I will be your angel
I'll be the guardian girl for you
Baby, I'ma protect your heart
You don't gotta put up your guard
Just give me a chance, baby, baby
I'll be down for you

Hey (What the hell are you waiting for?)
You don't really know what you do to me
Well, well, well, well
See it's funny 'cause I never felt this way about anyone
in my life, oh

Baby, take my hand and come roll with me
I'ma show how real love's supposed to be
Shawty, we gon' make it, we gon' make it (Ooh, ooh)

Baby, I will be your angel
I'll be the guardian girl for you
Baby, I'ma protect your heart
You don't gotta put up your guard
Just give me a chance, baby, baby
I'll be down for you

That I'm gonna be
You know I gotta be
I wanna be what ever you want
I can do wht you like, yeah

I'ma protect your heart
You don't gotta put up your guard
Just give me a chance, baby, baby
I'll be down for you

You know I got you, boy
