Lil' Fizz  
JhenÃ©

[Intro Hook-JhenÃ©]  
I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
I'll do anything u want me to

[Rap-Lil' Fizz]  
Sexy abs, with your hips to match  
Apple bottom jeans wit' your lil Gucci backpack  
Don't stand there, admire my mac tac  
Gift of gab, I never lacked that  
In fact, when I whisper in your ears  
I see your skin bump up  
And the hairs on your arms jump up  
I get the same feelin' girl when I'm by your side  
And when we kiss girl our souls collide  
I can provide whatever you need  
Just holla girl

[1st Verse-JhenÃ©]  
Know how you got me on the line  
But I can't stop thinkin' all the time  
Boy, where u be?  
Wanna be around u constantly  
Give me that  
No can't stand to go feelin'  
Before I'm even out the door, baby  
I wanna keep you there with me

I'm that chick  
What-no doubt  
I'm that chick  
Up or down  
Don't even gotta say a thing  
'Cause I'll be down

I'll be down 4 u baby  
I'ma ride for u baby

I will be the one u need  
Give u anything u want

I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
I'll do anything u want me to

[2nd Verse-JhenÅ©]

Oh, what u bet?  
I'll never let  
Nobody else ever think they could come between  
What we got between u and me  
'Cause baby boo, u got it like that  
And ain't no way I'm holdin' it back, no  
'Cause now I got u  
And if feels good now to be with u

I'm that chick  
What-no doubt  
I'm that chick  
Up or down  
Don't even gotta say a thing  
'Cause I'll be down

I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
Give u anything u want

I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
I'll do anything u want me to

[Lil' Fizz Rap 2]

I ain't tryin' to get in your drawers  
I'm a gentleman, I open doors  
I'm ready and willin' to give u more  
Than the dude u was with before  
It's automatic girl, you're the only one I adore  
Long walks on the beach by the shore  
U was all teeth when I came home from tour  
I came off the plane with a teddy bear for u  
With a card attached tellin' u I care for u  
I'll be there for u  
Girl, you've proven yourself  
I see your heart is with Fizz not the 'cause of my wealth  
And u conduct yourself so smooth and classy  
You respect Omarion, J-Boog and Raz-B  
They all cosigned u and gave u thumbs up

That's all I needed  
And this verse is summed up  
And I'm ready to take u there  
I gotta whole lotta love to share  
I know you're down 4 me

Break  
I will give u anything  
And I will do anything  
Anything u want  
Anything u want

I will give u anything  
And I will do anything  
Anything u want  
Anything u want
