Down 4 U Part 2

Intro Hook

Iâ€™ll be down 4 u baby
Iâ€™ma ride for u baby
I will be the one u need
Iâ€™ll do anything u want me to

Rap

Sexy abs, with your hips to match
Apple bottom jeans wit your lil Gucci backpack
Donâ€™t stand there, admire my mac tac
Gift of gab, I never lacked that
In fact, when I whisper in your ears
I see your skin bump up
And the hairs on your arms jump up
I get the same feeling girl when Iâ€™m by your side
And when we kiss girl our souls collide
I can provide whatever you need
Just holla girl

1st Verse

Know how you got me on the line
But I canâ€™t stop thinking all the time
Boy where u be
Wanna be around u constantly
Give me that
No canâ€™t stand to go feelin
Before Iâ€™m even out the door baby
I wanna keep you there with me
Iâ€™m that chick
What â– no doubt
Iâ€™m that chick
Up or down
Donâ€™t even gotta say a thing
Cause Iâ€™ll be down

Hook

Iâ€™ll be down 4 u baby
Iâ€™ma ride for u baby
I will be the one u need
Give u anything u want
Iâ€™ll be down 4 u baby
Iâ€™ma ride for u baby
I will be the one u need

Iâ€™ll do anything u want me to

2nd Verse

Oow what u bet

Iâ€™ll never let

Nobody else ever think they could come between

What we got between u and me

Cause baby boo u got it like that

And ainâ€™t no way Iâ€™m holdin it back no

Cause now I got u

And if feels good now to be with u

B Verse

Hook

Lil Fizz Rap

I ainâ€™t tryin to get in your drawers

Iâ€™m a gentleman, I open doors

Iâ€™m ready and willin to give u more

Than the dude u was with before

Itâ€™s automatic girl, youâ€™re the only one I adore

Long walks on the beach by the shore

U was all teeth when I came home from tour

I came off the plane with a teddy bear for u

With a card attached telling u I care for u

Iâ€™ll be there for u

Girl youâ€™ve proven yourself

I see your heart is with Fizz not the cause of my wealth

And u conduct yourself so smooth and classy

You respect Omarion, J Boog and Razz B

They all cosigned u and gave u thumbs up

Thatâ€™s all I needed

And this verse is summed up

And Iâ€™m ready to take u there

I gotta whole lotta love to share

I know youâ€™re down 4 me

Break

I will give u anything

And I will do anything

Anything u want

Anything u want

I will give u anything

And I will do anything

Anything u want

Anything u want
