Is there something on your mind? So what is it now?
Won't you tell me why you don't just let her go?
When she's so fair weather, I can treat you better
Show you how a man should feel, boy, on the real
(Baby, you deserve so much more)
(Won't you tell me what your waiting for)
'Cause what you see in her you can find in me
Just let her go and follow me, baby

Are you ready?
Boy, let me pull you close to me
(Let me pull you close to me)
Please hold me tight

'Cause I will make you feel like a man, I'll
Make you feel like a man, I'll
Make you feel like a man, I'll
Let me
'Cause I will make you feel like a man, I'll
Make you feel like a man, I'll
Make you feel like a man, I'll
Like a man should feel

There's no reason why she should make you cry
Baby, if you were mine, I would never lie
I'd love you like a crime and gladly to do the time
And I'd just pacify 'cause baby this ain't right
(Baby, you deserve so much more)
(Won't you tell me what your waiting for)
Baby here's the plan, I'll say it with my hand
She can't do it like I can

Are you ready?
Boy, let me pull you close to me
(Let me pull you close to me)
Please hold me tight

'Cause I will make you feel like a man, I'll
Make you feel like a man, I'll
Make you feel like a man, I'll
Let me
'Cause I will make you feel like a man, I'll

Make you feel like a man, I'll
Make you feel like a man, I'll
Like a man should feel

Baby, just relax and let me rub your feet
You ain't gotta say a word to talk to me
You can let it go, 'cause you'll never hurt again
Boy, you won't even remember her name
[You'll never be the same]
You'll be mine to claim
So don't you hold back
Before the night is over I'ma make you say my name

Are you ready?
Boy, let me pull you close to me
(Let me pull you close to me)
Please hold me tight

'Cause I will make you feel like a man, I'll
Make you feel like a man, I'll
Make you feel like a man, I'll
Let me
'Cause I will make you feel like a man, I'll
Make you feel like a man, I'll
Make you feel like a man, I'll
Like a man should feel
