When your with me
Freaky
Oh I can't believe it
How you got me
Where you got me
I don't know (I don't know)
Keep sneakin
Creepin
I'll be beepin
While you're thinkin that your sneakin on the low

[Verse 1:]
I ain't gonna trip
Or act a fool
When you get home late at night
Cause it ain't no reason for me to blow my cool
As long as you make it there alright
The ladies keep staring
Boi you know I ain't caring
And it don't make a difference to me
If you want to be sneaky I'll be sneaky too
Cause I ain't the type that's going to be chasing after
you (your so.....)

[Chorus:]
Sneaky
When your with me
Freaky
Oh I can't believe it
How you got me
Where you got me
I don't know

Keep sneakin
Creepin
I'll be beepin
While you're thinkin that your sneakin on the low
Sneaky
When your with me
Freaky (Well be both creapin)
Oh I can't believe it
How you got me
The way you got me
I don't know
Keep Sneakin
Creepin
I'll be beepin (be beepin)
While you're thinkin that your sneakin on the low

[Verse 2:]

Won't be all up in your face
Like them other girl may do
Don't even really care what others say
As long as you can come and chill with your boo
You can keep on flirtin (flirtin)
And I know one thing for certain
That you'll be coming back to me
When it's all said and done I know I'll be number one
But until then keep on creepin having fun (your
so.....)

[Chorus:]

Sneaky
When your with me
Freaky
Oh I can't believe it
How you got me
Where you got me
I don't know (I don't know)
Keep sneakin
Creepin
I'll be beepin
While you're thinkin that your sneakin on the low
(oooooh)
Sneaky
When your with me
Freaky
Oh I can't believe it (can't believe it)
How you got me
Where you got me
I don't know (I don't know)
Keep sneakin
Creepin
I'll be beepin

While you're thinkin that your sneakin on the low (keep
sneakin on the low)

[Hook:]

Boi you think you so slick
And I'm loving every bit of it
Don't really matter much to me
You can do what you please (do what you please)
Keep it moving
I see what you doing
Don't change your personality
You can be who you wanna be
(It's you and meeeeeee)

[Fizz Rap:]

Well, no need for an introduction
Its your 10 o'clock breaking news interruption
Lil' Fizz has girl hearts hard pumpin
That's right
Its crazy how I keep these hearts bumpin
In a game a year
And already in the lead
No space in my bed
Waiting for trouble follow me
I'm just
To hot to touch
To hot to hold
Still tryin to sneaky shorty behind the bundle load

[Chorus:]

(uuuuuuh)
Sneaky
When your with me
Freaky
Oh I can't believe it (I can't believe it)
How you got me
Where you got me
I don't know
Keep sneakin
Creepin (creepin)
I'll be beepin
While you're thinkin that your sneakin on the low (on the
loow)
Sneaky
When your with me
Freaky
Oh I can't believe it (We'll be both creepin)
How you got me
Where you got me
I don't know
Keep sneakin (sneakin)

Creepin (creepin)
I'll be beepin
While you're thinkin that your sneakin on the low (uuuh)
