[Verse:]

So here we are again, boy this always happens
It ain't like we scared, but we know what happens
When things move too fast but should be moving slow
And makes me want you more...

[Hook:]

Oh boy, I've been wanting this more than you know boy.
It's killin' me but we should take it slow boy
It'd be so much better if we wait til' we can't wait no
more, no more
Wait no more..

[Verse:]

Boy the love is there, so there's no need for rushing
You can come right here, but don't you start that
touching
It'd be so much better if we'd let this build up, it's worth
the wait for something bigger..

[Hook:]

Oh boy, I've been wanting this more than you know,
boy.
It's killin' me but we should take it slow, boy
It'd be so much better if we wait til' we can't wait no
more, no more
Wait no more..

[Jhene:] Oh boy, I've been wanting this more than you
know, boy.

It's killin' me but we should take it slow, boy
It'd be so much better if we wait til' we can't wait no
more, no more
Wait no more..
We should take it slow slow Baby, yeah..

[Break Down:]

Baby we've got time, I'll be worth the wait
We've got the ingredients, just let em' marinate
When the time is right, promise you it will be your
mnight
Cause you won't forget the rest of your life

Oh boy, I've been wanting this more than you know,
boy.
It's killin' me but we should take it slow, boy
It'd be so much better if we wait til' we can't wait no
more, no more
Wait no more..

Oh boy, I've been wanting this more than you know,
boy.
It's killin' me but we should take it slow, boy
It'd be so much better if we wait til' we can't wait no
more, no more
Wait no more..

Wait tell we cant...
Wait no more
