Every time my phone rings (Rings), aye  
You be asking who is it (Who is it)  
Who, uh, who is it (Who is it)  
Calling  
But since you're not my boyfriend (Friend), aye  
I don't pay you no (No)  
Pay you, pay you no (No)  
Pay you attention (Oh, oh, oh)

'Cause we never made (This official now you wanna go)  
All the way (All the way)  
If we do it's gonna have to go my way  
You wanna know who I'm with?  
What I'm doing when I'm not around you? (You, you,  
you)  
I have no problem telling the truth, but

Do you really wanna know? (Ooooh, I don't really think  
you do)  
Do you really wanna know? (I don't really wanna hurt  
you, oh)  
Do you really wanna know? (Ohhh, do ya, do ya, do ya,  
do ya, do)  
Do you really wanna know? (Oh-oooh, oh-oooh, oh-oh)

We should've kept it friendly, aye  
'Cause now I'm thinking you don't know (You don't  
know)  
You don't, you don't know (You don't know)  
How to act (You don't know how to act)  
Boy, I like you but you smother me  
And I just want you to, want you to  
Want, want you to, want you to fall back

'Cause we never made (This official now you wanna go)  
All the way (All the way)  
If we do it's gonna have to go my way  
You wanna know who I'm with?  
What I'm doing when I'm not around you? (You, you,  
you)  
I have no problem telling the truth, but

Do you really wanna know? (Ooooh, I don't really think  
you do)

Do you really wanna know? (I don't really wanna hurt  
you, oh)

Do you really wanna know? (Ohhh, do ya, do ya, do ya,  
do ya, do)

Do you really wanna know? (Oh-ooh, oh-ooh, oh-oh)

Caught you looking through my texts

I guess you call yourself trying to see (See)

Who must be talking to me (Talking to me)

What made you think that we were cool

Enough for me to only talk to you, baby (You)

And I could tell you everything, but do you really wanna  
know?

Do you really wanna know? (Ooooh, I don't really think  
you do)

Do you really wanna know? (I don't really wanna hurt  
you, oh)

Do you really wanna know? (Ohhh, do ya, do ya, do ya,  
do ya, do)

Do you really wanna know? (Oh-ooh, oh-ooh, oh-oh)
