I tested you that you let me know

Got me twisted yo with the adverage gurl  
Doin me like that you in anotha world  
Thought you were tha type to love and treat me right  
Boi i was wrong caught up in yo ghetto hype  
Tryin to play me out who you dealin wit  
It ain't me 'cause you don't know me

[Chorus 2x]

Do you really think you know me  
What Do I look like a puppet on a string  
What you think is so suddenly  
You gon' play me  
What you don't know me  
'cause i know me

[Dude:(second verse)]

[Jhene:]

I let you in my life  
You tried to pull me down  
Almost feel for it

But boi i need to quit  
Tell me what to do  
I'll be on my year  
See i been schooled to these fakin moves  
Betta get it straight 'cause i know the rules  
So don't question me and try to run my base  
It don't go that way  
Neva will go that way  
Trust me when i say you don't know me.

[Chorus 2x]

[Bridge:]

I know you don't know me  
Tryina pull sumthin on me  
Tryina play games on me  
I know you don't know me

I know you don't know me  
Tryina pull sumthin on me  
Tryina play games on me  
I know you don't know me

[Chorus 6x]
