Ooh,
Yeah yeah,
Ooh,
Ooooh
Oh oh,
Uh, listen

It's kinda funny how some things turn out,
I look back on the love that was once me and you and it
makes me wonder how
How I hooked up with u
And we stayed down for so long
When we knew we were wrong for each other,
U look like u can't think back
Well let me take u back, uh

Now the way the story goes,
U would lie u would cheat u would hide u would creep,
Even wit the girls I know,
No shame in ur game as long as she was cool,
Then u were good to go, uh,
Don't u know, that u what u do it all comes back,
U say u don't like that

CHORUS;
You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
u did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve

Verse 2:
Lets go a little bit deeper in the story,
U would lie to my face wit a straight face,
Little did u know ur boy told me,
Anywhere u went
Known any given date,
Misleadin mistreatin deceiving,
Now u can't believe it
Cuz u see that ur game is so weak &
That's why I beated Â...

CHORUS;

You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
you did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve

Hook:

When u look and see it's over u will find,
That u can't date no one but yourself,
All the things u thought to do,
I did to u
Don't be mad
Don't be mad, cuz if ur mad, u gotÂ...

CHORUS;

You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
you did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve

You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
you did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve

You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
you did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve

You've got nerve
Flippin out, becuz u heard,
That the word was I've been seein someone else, when
you did it yourself,
You've been busy runnin wild, now u wonder why,
U got hurt, u got nerve
