It's Lil' Fizz

With my cousin Jhene

This is incredible right here

T.U.G

Yeah

Sneaky

When your with me

Freaky

Oh I can't believe it

How you got me

The way you got me

I don't know

Keep sneakin

Creepin

I be beepin

Why you think that your sneakin on the low

I ain't gonna trip

Or act a fool

When you get home late at night

Cause it ain't no reason for me to blow my cool

As long as you get there alright

The ladies keep staring

Boi you know I ain't caring

And it doesn't make a difference to me

If you want to be sneaky I'll be sneaky too

Cause I ain't the type that's going to be chasing after  
you (your so )

Sneaky

When your with me

Freaky

Oh I can't believe it

How you got me

The way you got me

I don't know

Keep sneakin

Creepin

I'll be beepin

Why you think that your sneakin on the low  
Sneaky  
When your with me  
Freaky (Well be both creapin)  
Oh I can't believe it  
How you got me  
The way you got me

Keep Sneakin  
Creepin  
I'll be beepin (be beepin)  
Why you think that your sneakin on the low

Wanna be all up in your face  
Like the other girl may do  
I don't really even care what the others say  
As long as you can come and chill with your boo  
You keep on flirtin (flirtin)  
And I know one thing for certain  
That you'll be coming back to me  
When its all said I know I'll be number one  
But until then keep on creepin having fun (your so )

Sneaky  
When your with me  
Freaky  
Oh I can't believe it  
How you got me  
The way you got me  
I don't know (I don't know)  
Keep sneakin  
Creepin  
I'll be beepin  
Why you think that your sneakin on the low  
Sneaky

How you got me  
The way you got me  
I don't know (I don't know)  
Keep sneakin  
Creepin  
I'll be beepin  
Why you think that your sneakin on the low

Boi you think that you so slick  
I'm loving every little bit of it  
Don't really matter that much to me  
You can do what you please (do what you please)  
Keep it moving

I see what you doing  
Don't change your personality  
You can be who you wanna be

Well, no need for an introduction  
Its your 10 o'clock breaking news interruption  
Lil' Fizz has girl hearts hard pumpin  
Thats right  
Its crazy how I keep these flows bumpin  
In a game a year  
I'm already in the lead  
There is no space in my bed  
Waiting for trouble follow me  
I'm just  
To hot to touch  
To hot to hold  
Still tryin to sneaky shorty behind the bundle load

Sneaky  
When your with me  
Freaky  
Oh I can't believe it (I can't believe it)  
How you got me  
The way you got me  
I don't know  
Keep sneakin (sneakin)  
Creepin (creepin)  
I'll be beepin (beepin)  
Why you think that your sneakin on the low
