Hmm, hmm, mm
You make me do, do, yeah girl
(Yeah)

I never can erase
The love that you have placed
(Inside)
No girl I can't deny

I just never felt
That I would ever be the one
To find the special lady
That'll make me do 4 love

You make me do 4 love
What I would not do
Everyday my love
You got me wanting you

You make me do 4 love
What I never do
And what we do 4 love
That all depends on you

A man can recognize when love is in the sky
I just had to let you rain all over me
Then one day it dawned on me
I had changed completely
I don't know just how it happened
But I love the way

You make me do 4 love
What I would not do
And everyday my love
You got me missing you

You make me do 4 love
(Hey)
What I never do
And what we do 4 love
That all depends on you

No, I never thought
Of finding someone to love me
(Come on the road with me)
And to come on the road with me
Then I opened my eyes so lovely
(So lovely)
I love the way

You make me do
What I would not do
'Cuz everyday my love
(Everyday babe, you got me thinking for you)

You make me do 4 love
What I never do
And what we do 4 love

You got me talking, baby
You got me spending money
You got me trippin'
(Tripping)
You make do, ohh

You make me do 4 love
What I would not do
'Cuz everyday for love
Everyday babe, I been missing you

You make me do 4 love
What I never do
And what we do 4 love
What we do depends on you

Do 4 love
Do 4 love
Do 4 love
