Yeah yeah gone bring it back girl
Yeah yeah it's known for a fact girl

Just get it on the floor and do what you do
Just get it on the floor and do what you do

Yeah yeah gone bring it back girl
Yeah yeah it's known for a fact girl

Beat you cant do it like that
I aint moving like that
Cause the track will break you break you back girl

What you came here for if you aint planning to move
Lets get it popping you aint got nothing to lose

Just get it on the floor and do what you do
Let's get it on the floor and do what you do

Now I think its just time for you to move
Its time for you to hit a home run like a bat girl
Gone give it a test
Cause you could do it the best
Just be like Mitchell & Ness and throw it back girl
Get wit it have ball and hit with it
Trying to get with the crew
Just thought that I'd mention it
Cause I been with it
In fact I'm a throw a hit with it
Tried to blow ma mind when she turned around and
spent with it
So we could take it on back to the floor ma
If you aint dancing than you looking at the door ma
And she al fall if she do a little more ma
Next thing she saw was the Lamborghini doors ha
Don't get it twisted I aint saying you could leave boo
Gone bring it back and you could show me what that
thing do
Don't get it twisted I aint saying you could leave boo
Put it in reverse

Yeah yeah gone bring it back girl

Yeah yeah it's known for a fact girl

Just get it on the floor and do what you do
Just get it on the floor and do what you do

Yeah yeah gone bring it back girl
Yeah yeah it's known for a fact girl
Let's get it on the floor and do what you do
Let's get it on the floor and do what you do
I'm bout to start of shopping
You know them tags we popping
Only the freshest I'm rocking
I'm grabbing new fits
It kind of hard to fall
But it's so easy to ball
When I be hitting the mall to grab a new chick
Steady going telling bout the party I'm throwing
I'm already knowing that she feeling the way that im
flowing
Take the girl from her
And I'm a bring her out the lew
Letting her see the palm trees
Showing her how Cali do
from burning one to doing the bounce
then we hitting the crunk
As soon as we open them and any doors the party gone
jump
As soon as we turn up the music the speakers go bump
and any body sitting down we gone tell 'em get up

Now I think its just time for you to move
Its time for you to hit a home run like a bat girl
I know you herd this before
But im a tell you some more
So listen carefully while I put it in fast forward

Yeah yeah gone bring it back girl
Yeah yeah its known for a fact girl

Just get it on the floor and do what you do
Just get it on the floor and do what you do

Yeah yeah gone bring it back girl
Yeah yeah its known for a fact girl

Bet you cant do it like that
I aint moving like that
Cause the track will break a back girl

(Yeah, Yeah, Yeah, Yeah)

What you came here for if you aint planning to move
Lets get it popping you aint got nothing to lose

Just get it on the floor and do what you do
Lets get it on the floor and do what you do

What you came here for if you aint planning to move
Lets get it popping you aint got nothing to lose

Let's get it on the floor and do what you do
Let's get it on the floor and do what you do
