We're thrown into a world unknown  
She tells me everyday  
She's always wondering  
Just how far this life goes  
I don't know  
Let's stack it up  
And watch it all fall down  
Slow down  
Speak to me with those innocent eyes  
Tell me all of your beautiful  
Your beautiful  
Your beautiful lies  
She swears that this one hurts the most  
They'll never be another  
Just like a last goodbye from love  
We both know

Let's stack it up  
And watch it all fall down  
Slow down  
Speak to me with those innocent eyes  
Tell me all of your beautiful  
Your beautiful  
Your beautiful lies  
Your beautiful lies  
Beautiful  
Speak to me with those innocent eyes  
Tell me all of your beautiful  
Your beautiful  
Your beautiful lies  
Your beautiful lies  
Your beautiful lies  
Your beautiful lies
