When the voices of children are heard on the green  
And laughter is heard on the hill  
My heart is at rest within my breast  
Everything else is still

Then come home my children  
The sun has gone down  
And the dews of the night arise  
Come, come leave off play  
Let us away till the morning appears in the sky  
No, no let us play for it is yet day  
We cannot go to sleep  
Besides in the skies the little birds fly  
And the hills are all covered with sheep

Well, well go and play till the light fades away  
Then go home to bed  
The little ones leaped, shouted and laughed  
And all the hills echoed
