You made me cry
And walk the floor
If you think I'll
Crawl back for more

Big daddy
You got a lot to learn

You think you're great
With all your curls
The living end
With all the girls

Big daddy
You got a lot to learn

You think that you're
The only lover on this Earth
Believe me, you're not half
Half of what you
Think you're worth

So if you're smart
Take my advice
Find someone new
And treat her nice

Big daddy
You got a lot to learn

There are a million?
Gathered on the beach
And every single one
Is lying there within my reach

So if you're smart
Take my advice
Find someone new
And treat her nice

Big daddy
You got a lot to learn

Big daddy
You got an awful lot to learn

Big daddy
