I love my baby, my baby loves me  
Don't know nobody as happy as we  
I'm only twenty and he's twenty-one  
We never worry, we're just having fun

Sometimes we quarrel and maybe we'll fight  
But then we make up the following night  
When we're together, we're great company  
I love my baby, my baby loves me

I love my baby, my baby loves me  
Don't know nobody as happy as we  
I'm only twenty and he's twenty-one  
We never worry, we're just having fun

Sometimes we quarrel and maybe we'll fight  
But then we make up the following night  
When we're together, we're great company  
I love my baby, my baby loves me

I love my baby, my baby loves me  
We're groovy groovy, why shouldn't we be  
She gives me kisses, each one is a smack  
But you should hear em when I give em back

Sometimes we quarrel and maybe we'll fight  
But then we make up the following night  
When we're together, we're great company  
I love my baby, my baby loves me
