God knows it's hard to be sweet  
When a man like you watching me  
Lord knows it's hard but I try  
To hide the way I feel but I  
Still get weak in my knees  
Got to get this heart off my sleeve, but I  
Can't help myself from falling

Got me swept of my feet  
Fell hell benf for leather  
The word's out, it's on the street  
Fell hell benf for leather  
Got me sure got me good  
Lord I pray, I pray each day  
God bless a girl in love

Trust me I'm not what I seem,  
I don't act like this usually  
You bring the fool out of me  
I don't get the joke but I laugh cause I  
Want you to think that I do  
I try so hard to keep my cool but I  
Can't help myself from falling

Got me swept of my feet  
Fell hell benf for leather  
The word's out, it's on the street  
Fell hell benf for leather  
Got me sure got me good  
Lord I pray, I pray each day  
God bless a girl in love, oh yeah  
God bless a girl in love

Oh, you do something to me  
You send sweet shivers down my spine  
Oh, you got to get me through this  
I wish he wasn't looking so damn fine  
God bless a girl

Got me swept of my feet  
Fell hell benf for leather  
The word's out, it's on the street

Fell hell benf for leather  
Got me sure got me good  
Lord I pray, I pray each day  
God bless a girl in love

Got me swept of my feet  
Fell hell benf for leather  
The word's out, it's on the street  
Fell hell benf for leather  
Got me sure got me good  
Lord I pray, I pray each day  
God bless a girl in love  
God bless a girl in love
