It's too late to be drinkin'
It's too dark to be sad
It's too dangerous to be thinking of us
And the love we can never get back
Sometimes when I'm lonely I get carried away
So I'm drinking, I'm thinkin'
I'm gonna be sad anyway

The walls are closing in
Breathe in and count to ten
I did all I could
But it did no good
Lights went out and he got in

It's too late to be drinkin'
It's too dark to be sad
It's too dangerous to be thinking of us
And the love we can never get back
Sometimes when I'm lonely I get carried away
So I'm drinking, I'm thinkin'
I'm gonna be sad anyway

Tomorrow I'll regret
But there's no daylight yet
So I'll hold on time
To this hopeless nights
And pray that I'll forget

It's too late to be drinkin'
It's too dark to be sad
It's too dangerous to be thinking of us
And the love we can never get back
Sometimes when I'm lonely I get carried away
So I'm drinking, I'm thinkin'
I'm gonna be sad anyway

It's too late to be drinkin'
It's too dark to be sad
It's too dangerous to be thinking of us
And the love we can never get back
Sometimes when I'm lonely I get carried away
So I'm drinking, I'm thinkin'

I'm gonna be sad anyway
I'm drinking, I'm thinkin'
I'm gonna be sad anyway
It's too late to be drinkin'
