I was blunt enough to tell anyone to go to hell
I got laughs at my friends' expense, no matter how
they felt
I was weak enough to cry myself to sleep
I did a lot of things that weren't really me

Tired of being lost
Too much of being tough
Longing to be soft
Needing to be loved
I knew all along
What I wanted to be
So when I found you
I finally found me

You teach me how to listen
Instead of hearing myself talk
And putting other people first
Without a second thought
I was at my worst
But I feel better now
You bring out the best in me, when I don't know how

Tired of being lost
Too much of being tough
Longing to be soft
Needing to be loved
I knew all along
What I wanted to be
So when I found you
I finally found me

I'm so glad you saved me from myself
Now I'm happy to be me
Instead of someone else
Tired of being lost

I knew all along what I wanted to be
So when I found you
I finally found me
Now that I found you
I finally found me
