When you start to doubt if you exist  
God believes in you  
Confounded by the evidence  
God believes in you  
When your light burns so dim  
When your chances seem so slim  
And you swear you don't believe in Him  
God believes in you

When you rise up just to fall again  
God believes in you  
Deserted by your closest friends  
God believes in you  
When you're betrayed with a kiss  
You turn your cheek to another fist  
It does not have to end like this  
God believes in you

Oh everything matters if anything matters at all  
Everything matters no matter how big  
No matter how small  
Cause God believes in you  
Oh God believes in you

When you're so ashamed that you could die  
God believes in you  
And you can't do right even though you try  
God believes in you  
Blessed are the ones who grieve  
The ones who mourn, the ones who bleed  
In sorrow you sow but in joy you reap  
God believes in you

Blessed are the ones who grieve  
The ones who mourn, the ones who bleed  
In sorrow you sow but in joy you reap  
God believes in you  
Oh God believes in you
