You're here, I'm pleased
I really dig your company
Your style, your smile, your peace mentality
Lord, Have mercy on me
I was blind, now I can see
What a kings support to be
Baby I feel Free
Come on and go with me

(chorus) Let's take a long walk
Around the park after dark
Find a spot for us to spark
Conversation, verbal elation, stimulation
Share our situations, temptations, educations,
relaxations
Elevations, maybe we can talk about Surah 31:18.

Your background it ain't squeaky clean shit
Sometimes we all got to swim upstream
You Aint no saint we are all a sinners
But you put your good foot down to make your soul a
winner
I respect that, man your so phat
And your all that, plus supreme
Then your humble baby, and i love ya feel it, I can feel
everything that you bring
(chorus) Let's take a long walk
Around the park after dark
Find a spot for us to spark
Conversation, verbal elation, stimulation
Share our situations, temptations, educations,
relaxations
Elevations, maybe we can talk about Revalation 3:17.

Or maybe we can see a movie
Or maybe we can see a play on Saturday
Or maybe we can roll a tree, feel the breeze and listen
to a symphony
Or maybe chill and just be, or maybe
Maybe we can take a cruise and listen to the roots or
maybe eat some passion fruit

Or maybe cry to the blues-or maybe we could just be
silent
Come on, come on

(Chorus)Let's take a long walk
Around the park after dark
Find a spot for us to spark
Conversation, verbal elation, stimulation
Share our situations, temptations, educations,
relaxations
Elevations, maybe we can talk about (?) entirety.

Elevations, maybe we can save the nation.
