I'm truly sorry baby
For what I did to you
While you were busy loving me
I was busy too
Oh, I played you dirty boy
Did somethangs that I shouldn't do
While you were only trying to treat me good
I was playin, damn

I can't even begin to explain
I'm sorry sorry baby
I can't even begin to explain
Mmmm mmm

I'm truly sorry boy
Believe me, I had my hurt
The next time love came along yeah
It was me who burned
Sad and desparate I cried
Wondering why, asking God Why?
He would do this to me
So damn easy
Well Karma's real
And now I really do understand
What you give is what you get
Universal plan
Paid my price
And looked at my life
Finally I'm loving somebody
Righteously

And I can't even begin to explain
Ooh how good it is
I can't even begin to explain
Ooh baby

What goes around really do
Really does come back around
And I'm sorry for what I did to you
You didn't deserve what I gave you
But I gave it to you

I hope your okay
I hope your loving well
Baby just because you loved and lost
Don't mean stop loving
If you have a nightmare
It doesn't mean you stop dreaming
Don't give up on love because
What I did to you
I hope your okay
I really do

I can't even begin to explain
Oh give love a try baby
I can't even begin to explain
Oh how good
I can't even begin to explain
