I like that I can talk with you
And you seem to adore it

I like that I can tell you
Exactly how I feel

I like that you don't
Look at me in that confused kind of way
When
The thoughts are running through my mind
And I can't seem to find the
Right thing to say

Ooh this feels nice
Our easy conversation

Ooh this feels so tight
Our easy conversation

Ooh ooh ahhh
This feels nice

I I I really really like when you
Speak to me

You never front
You always tell me straight up

I Do do do do
4X
