Jill Scott - Family Reunion

We at the family reunion, tellin' jokes and playin'  
spades  
Uncle Dave is on the barbeque grill  
Grandma braggin 'bout the blanket she made  
For the new baby on her way  
Even though the daddy ain't really ready  
This child is coming...anyway, yeah

Niece made her famous potato salad, somehow it  
turns out green  
Maybe it's all the scallions, could be the celery  
But ol, Uncle Jerome loves it (Hmm)  
Hey baby baby, here comes my favorite...my favorite  
cousin  
He says he's doing fine, takin'it one step a day but in  
my heart I know it ain't that way

Chorus  
Whoa whoa-o-whoa whoa-o-whoa whoa-o-whoa  
What can you say...its family  
And whoa whoa-o-whoa whoa-o-whoa whoa-o-whoa  
What can you say...its family

Aunt Juicy been drinkin' again...ooh it's only 1:30 in the  
afternoon  
Everybody tip-toeing 'round her, we all know she gonna  
be tore up soon  
Saying all the things we like to say, hope she gets  
around to Cousin Lonnie  
Cause We all know he got a little extra somebody on  
the side (But)

Chorus

Oh shit, Damn Mickey and Steven are fighting again  
Move out the way, somebody might get hurt  
Aw Look at that what happen is worst  
They knocked over Helenora's Lemon Cake (Emm)  
You know the one she barely ever makes

I'm gettin riled up, I want them to go  
But Somebody turn Frankie Beverly on the stereo  
Cousin Ruby starts rockin', shaking her good hip and  
bobbin  
So we all fall into place, smiling and laughing

Chorus  
2x
