You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin

Sister girl  
I know you don't understand  
But you goin have to understand he's my man now  
What you had is gone  
I think it's sweet  
I think it's stronger than any lie you can tell on me  
He knows my heart and that's the part  
Yo roots are dug up  
So you might as well give up  
I see your intentions  
You can't handle the truth  
He let you go a long time ago  
Now it's time to turn him loose

You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin

Suga honey girl fly fly away  
I been a lady up to now don't know how much more I  
can take  
Queens shouldn't swing if you know what I mean  
But I'm bout to take my earrings off get me some  
Vaseline  
(I'm bout to go off in yo face girl you betta chill)  
Chill and I mean it  
(You betta back down before you get smacked down  
you betta chill)  
You betta relax yourself  
(I'm bout to go off in yo face girl you betta chill)  
He's my man and nobody elses  
(You betta back down before you get smacked down  
you betta chill)  
You betta back down!

You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin

Everything was beautiful between me and him  
And here come you and your big mouth talkin about me  
Tellin' him that you seen me up 24th Street  
With them other Cats  
But you that's a lie  
You keep lying to my man  
Girlfriend  
I'm go take you out in the middle of the street and  
whoop yo tail for all it's worth 5.99 or something like  
that

You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin  
You're gettin the way of what I'm feelin
