You love me especially different every time  
You keep me on my feet happily excited  
By your cologne, your hands, your smile, your  
intelligence  
You woo me, you court me, you tease me, you please  
me  
You school me, give me some things to think about  
Ignite me, you invite me, you co-write me, you love me,  
you like me  
You incite me to chorus, ooh  
Ooh...

You love me especially different every time  
You keep me on my feet happily excited  
By your cologne, your hands, your smile, your  
intelligence  
You woo me, you court me, you tease me, you please  
me  
You school me, give me things to think about  
Invite me, you ignite me, co-write me, you love me, you  
like me  
Incite me to chorus  
La, la, la...  
Da, da, da...  
Do, do, do...

You're different and special  
You're different and special in every way imaginable  
You love me from my hair follicles to my toenails  
You got me feeling like the breeze, easy and free and  
lovely and new  
Oh when you touch me I just can't control it  
When you touch me, I just can't hold it  
The emotion inside of me, I can feel it  
  
Ah...
