Woke up this mornin
With a smile on my face
Jumped outta bed
Took a shower, dressed
Cleaned up my place
Made me some breakfast, toast, two scrambled
eggs, grits
Grabbed my keys, grabbed my perse, grabbed my
jacket off to work
Beaming all the way down thurrrrr

Is it the way, you love, me baby?
Is it the way, you love, me baby?

Four thirty, can't wait to get home Naw girl, I got
somethin else to do
Go 'head, really, get your groove on
Cause tonight my man's comin through
We gon' have to connect some other day
As much as I like to shake my thang on the dance floor
I got another freaky dance that way in mind
Tonight Im gonna beat the high score.

Is it the way, you love, me baby?
Is it the way, you love, me baby?
Is it the way, you love, me baby?
Is it the way, you love, me baby?
