They say I'm crazy the way you got me open, baby ooh
They say I'm buggin' the way I'm top sweatin' your
lovin', ooh
They all sit and wonder why this feelin I can not hide
It ain't a question of pride, ooh
It's love, ooh it's love

They say I'm slippin' the way you got my whole life
flippin', ooh
They say I'm losin' it cause I can't seem to keep my
grip, baby ooh
We all cry when we feel pain, when love is gone we're
not the same
It ain't a question of brains
Ooh it's love, ooh it's love
Ooh it's love, ooh it's love

Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love

They all sit and wonder why this feelin' I can not hide
It ain't a question of pride
Shoobey-doobey doobey do it's love
Babadoobey-doobey doobey do it's love

Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love

Do you want it on your collard greens?
Do you want it in your candy sweets?
Do you want it on your pickled beets?
Give it to me, give it to me, give it
Do you want it on your rice and gravy?
Do you want it on your biscuits baby?
Do you want it on your black-eyed peas?
Feed it to me, feed it to me, feed it

Ooh it's love, ooh it's love

Do you want it on your collard greens?
Do you want it in your candy sweets?
Do you want it, do you want it
Gimme it, gimme it
Do you want it on your rice and gravy?
Do you want it on your biscuits baby?
Do you want it on your black-eyed peas?
Come on gimme, gimme, gimme, gimme it

Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love
Love, love, love, love, love, love

Give it, give it, give it, give it

Do you want it on your collard greens, uh?
Do you want it in your candy sweets, uh?
Do you want it, do you do you want it?
Give it, give it, give it, give it
Do you want it on your rice and gravy?
Do you want it on your black-eyed peas?
Do you want it on your sweets baby?
Give it up, give it up, give it up, give it to me
Gimme that love, gimme that love, gimme
Give it to me, give it to me, give it
Give it to me, give it to me, give it
Give it to me, give it to me, give it...
