Verse 1:

You pulled some tricks out your sleeve last night /
Everything I fantasize about / You had me climbing up
a wall / How many ways was God called/ You
represented in the fashion of the truly gifted / You put
it down last night / Knocked me out then had me
dreaming bout waking up, alright / Do you want some
money baby? / How about some chicken wings? / Do
you want some fish and grits? / I'll hurry and go get it /

Chorus:

Whatever (9x), Whatever baby, Whatever baby
Whatever (11x),ohh hoo yeah yeah
/ We made a groove last night / A poignant rocking
forth and back alright / Anything I can do for you? / Just
ask sometimes you wont have to / I'll be happy just to
make you happy / And that's true / Oh / We made
powerful / Love last night / Never knew passion could
taste so sweet alright / I made a vow to you / Everything
I do for you is a joy and a gift / You got my whole life
lifted

Chorus:

Whatever (9x) Whatever you want me to do, Whatever
(8x),it's cool baby, loving me the way you do, Whatever
Whatever
Whatever you want me to do
I'll be happy..to...baby love

Break (adlib)

Whatever (9x) Whatever baby, Whatever baby,
Whatever (11x)

Ooh hoo yeah
