[Doug E. Fresh] Ladies and gentlemen, my name is Doug E Fresh and I'm with my girl Jill Scott And we about to take it from the bottom to the top, aight? Sing

[Jill Scott]

Never wanted to see things my way

Tell me why were you such a fool

Always thought the grass was greener on the other side

Never miss your water till your well run dry

And now I'm sad and so confused

'Cause I'm all cried out, oh yeah yeah

Over you

Over you

Over you

Over you you you you

You, you, you

No more tears for you, no baby it's all over I'm moving on now, I'm taking over

No more tears for you, no more baby

'Cause I'm not your lady

You made that perfectly clear to me too

Ooo so I'm gonna move to the next phase

Getting back into my space

Moving in right in the right direction

And oh oh

I hope you know

One day baby

That I-I-I-I-I-I'm not sad and so confused

'Cause I'm all cried out oh yeah yeah

Over you

Over you

Over you

Over you
