Ha..hmm..hey..hmm..ohhhmmm..hey..hmm..

I can't hold this in forever
eventually, I have to breathe
done hid alot behind the light, behind the wall
now it's crushing in, on me
how did I let it get this far? (mmmm...)
how did I make this wrong turn? (ohhh..ohh)
how do I change a thing I've done? (I don't know..oh)
only one lesson learned

[Chorus]

Comes to the light, comes to the light (everything)
Comes to the light, comes to the light (ooOoo)
Comes to the light, comes to the light (everything)
Comes to the light, comes to light (oh)

I can't pretend. This hurts .. (it hurts)
deeper than I imagined
what I did to my friend (so sorry)
I can't take it back (yeah)
how could I do a thing like that? (I don't know)
where was my conscience at? (somebody tell me .. tell
me)
In pain I really played my part (I know I did)
now tell me where the healing starts (ohhh)

[Chorus 2]

Comes to the light, comes to the light (everything)
Comes to the light, comes to the light (oh..oOOoo)
Comes to the light, comes to the light (everything)
Comes to the light, comes to light (oh)

Make it stop (make it stop..ohh..make it fade)(make it
stop)
Make it go away (make it go..away)
Make it fade (make it fade .. make it fade out of my
mind)
Make it sail away from me (sail away, sail away)(ohh)

[Chorus 3]

Comes to the light, comes to the light (ooO, everything)
Comes to the light, comes to the light (ooOOoo..)
Comes to the light, comes to the light (comes to the
light, comes to the light)(everything, everything)
Comes to the light, comes to the light (hoo hoo
hoo)(oOOo, everything)

hoo hoo hoo hoo hoo (comes to the light, comes to the
light)
[until fades]
