[Missy]

Ah, ah, yeah, yeah, uha

Better pump this in your jeep, gotta turn the volume up

Wanna smoke a little of this stuff, that's the way we
blaze on up

Better pump this in your jeep, better turn the volume up

Wanna smoke a little of this stuff, that's the way we
blaze on up

Boy ain't a freak like me, that do it constantly

Make sure you keep busy, wanna feel the part of me

[Adina] (Missy)

You make my heart beat faster (yeah)

You got me ill flow like a rapper (ooh)

I'll blaze you with good sensations

Your loving be my first occupation

This is how I'm puttin' it down

For my peeps on the other side of town

Can you tell me are you feeling me

And if you're feeling me then bump this in your jeep

Play this in your jeep

[Missy]

Oh, ah, baby, show me love, better pump this in your
jeep

Oh, ah, baby, crank me up, better turn the volume up

Oh, ah, baby, show me love, wanna smoke a little of
this stuff

Oh, ah, baby, crank me up, uh, aha

[Adina]

Baby were you fine along me

Won't you come and spend some time

Won't you come and chill with me

I know you wanna smoke this *cough*

All I ever wanted you to do, ooh

Is to feel me

I wanna sit and get you in the mood

But you gotta play this in your jeep, in your jeep

[Missy]

Oh, ah, baby, show me love, better pump this in your jeep
Oh, ah, baby, crank me up, better turn the volume up
Oh, ah, baby, show me love, wanna smoke a little of this stuff
Oh, ah, baby, crank me up, yeah, yeah, aha

[Missy] (Adina)

You got it, tell me how you want it (yeah, ey)
How you want it, I wanna make you funky (ooh, yeah)
You got it, tell me how you want it
How you want it, I wanna make you funky (funky)
You got it, tell me how you want it (ooh, oh)
How you want it, I wanna make you funky (hey)
You got it, tell me how you want it (mmhm)
How you want it, I wanna make you funky (funky)

[Missy]

Oh, ah, baby, show me love, better pump this in your jeep
Oh, ah, baby, crank me up, better turn the volume up
Oh, ah, baby, show me love, wanna smoke a little of this stuff
Oh, ah, baby, crank me up, yeah, yeah, aha

[Missy]

Round and round, let's get to down
Feelin' my body, my body
Round and round, let's get to down
Feelin' my body, my body
Round and round, let's get to down
Feelin' my body, my body
Round and round, let's get to down
Feelin' my body, feelin' my body

[Missy]

Oh, ah, baby, crank me up, yeah, yeah, aha
