You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

Sister girl

I know you don't understand

But you goin have to understand he's my man now

What you had is gone

I think it's sweet

It's stronger than any lie you can tell on me

He knows my heart and that's the part

Yo roots are dug up

So you might as well give up

I see your intentions

You can't handle the truth

He let you go a long time ago

Now it's time to turn him loose

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

suga honey girl fly fly away

I been a lady up to now don't know how much more I

can take

Queens shouldn't swing if you know what I mean

But I'm bout to take my earrings off get me some
vasaline

(You betta go on get out my face girl you betta chill)

Chill and I mean it

(You betta back down before you get smacked down
you betta chill)

You betta relax yourself

(You betta go on get out my face girl you betta chill)

He's my man and nobody elses

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

You're gettin the way of what I'm feelin

Everything was beautiful between me and him

And here come you talkin about me

Tellin him that you seen me up 24th Street
