"Hear My Call"

[Verse 1]

Here I am again asking questions,
Waiting to be moved.
I am so unsure of my perception,
What I thought I knew I don't seem to
Where is the turn so I can get back to what I believe in?
Back to the old me and

[Chorus]

God, please hear my call. I am afraid for me.
Love has burned me raw I need your healing
I need Your healing.

[Verse 2]

I've been such a fool
How did I get here?
Played by all the rules
Then they changed
I am but a child to your vision
Standing in the cold and the rain
Lost here in the dark
I can't see.
Gotta take a stand, what is happening?
Oh, this hurts so bad. I can hardly breathe.
I just want to leave so

[Chorus x2]

God, please hear my call. I am afraid for me.
Love has burned me raw I need your healing
I need Your healing.
