It's hard not to listen, it's so nice.

(Verse 1)

If I called you, could you call back,
So I can tell you, that I miss you,
Wanna talk to you, wanna be there,
Wanna hold you, I wanna listen,

No maybes, I'm crazy,
To let a love like you go baby,
I don't know, what it's all about,
But I'm trying to figure out how to tell you,

(Chorus)

I love you,
I wish that you could see it too,
I love you (love you baby),
Come on, let me get through,
I love you,
Ain't no frontin' or hiding,
I love you (love you baby),
Come on, let me show you,

(Verse 2)

Don't wanna, shake the tree(?),
Don't wanna, hang with me,
You don't call me on the regular,
I mean when we talk, it's all short and shit(?),
And it normally be about the weather,

Don't wanna talk about the weather, I wanna get to
know you,
Be where you are, suga let me show you,
I was sucka because I messed it up,
I was a sucka baby,

(Chorus)

But I love you,
I wish that you could see it too,
I love you (love you baby),
Come on let me get through,
I love you,
Ain't no frontin',
I love you,
Come on, let me get through,

(Bridge)

See I think about you baby all the time,
And I wanna get down, I just wanna get down,
To the real thing, where we say what we mean,
And we talk to each other through our eyes in between
and,
I mean it, baby come back to me,
If I could I would make you so happy,
And it would make me happy too,
Because baby I,

(Chorus)

Baby I love you,
I hope that you can see it too,
I love you (love you baby),
I love your breath when you sleep, it's so soft and so
sweet,
I love you baby I do,
When you put your hand on me girl I'm like Woo, I
really love you,
Come on let me show you,
I love you,

I love the way you walk,
I love the way you talk,
I love the way you sit,
I love the way you think,
I love the way you are,
You're a superstar,

I love you baby I do
