Heyeeee, mmmm

Listen to me, Listen to me, Listen to me, Listen to me,  
Listen to me, Listen to me, Listen to me, Listenâ€¦

I've been talking to this man.  
He been saying what I like and  
He makes me smile when I'm down, so down.  
He says sweet things in my ear,  
All the things that I needed to hear.  
But, that's as far it has gone.  
I promise, I promise

But I enjoy it, I love it so.  
Cause it seems like I am always alone.  
You're at arms reach, but baby where are you, where  
are you.

Cause I got this fireâ€¦sweet and true.  
But, I'm cold as ice when I am around you.

Cause I'm Lonely whenever you're around.  
Cause I'm Lonely whenever you're around.  
Cause I'm Lonely whenever you're around.

What happen to the wonderful thing we had.  
It seems like you are missing in action.  
I'm tired, I'm tired, I'm tired, I'm tired, I'm tired, I'm  
tired.  
I don't wanna lose this good life, but I ain't scared.  
If I'm going to be the only one participating in it.

Cause I'm Lonely whenever you're around.  
Cause I'm Lonely whenever you're around.  
Cause I'm Lonely whenever you're around.
