They say I'm crazy the way you got me open, baby  
They say I'm buggin' the way I'm tight sweatin' your  
lovin', yeah  
They all sit and wonder why this feelin' I cannot hide  
It ain't a question of pride, no, no, no, no, no, no

It's love, well alright, it's love, hey

They say I'm drippin' up the way you got my whole life  
flippin', yeah  
They say I'm losin' it 'cause can't seem to keep my grip,  
no, no, no, no  
Now we all cry when we feel pain, when love is gone  
we're not the same  
It ain't a question of brains no, no, no, no, no, no

It's love, well alright, it's love

Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love

They all sit and wonder why this feelin' I cannot hide  
It ain't a question of pride  
It's love, well alright, it's love

Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love

Now do you want it on your collard greens?  
Do you want it in your candy sweets?  
Do you want it on your pickled beets?  
Give it to me, give it to me, give it

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Give it to me, give it to me, give it

Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love

Do you want it on your collard greens?  
Do you want it in your candy sweets?  
Do you want it on your pickled beets?  
Give it to me, give it to me, give it

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Give it to me, give it to me, give it

Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love

Do you want it on your collard greens?  
Do you want it on your candy sweets?  
Do you want it on your pickled beets?  
Give it to me, give it to me, give it

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Give it to me, give it to me, give it

Give it to me, give it to me, give it  
Give it to me, give it to me, give it  
Give it to me, give it to me, give it  
Give me that I-love

Give it to me, give it to me, give it  
Give it to me, give it to me, give it  
Give it to me, give it to me, give it

Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love, love  
Love, love, love, love, love

Do you want it on your collard greens?  
Hey, do you want it on your candy sweets?  
Do you want it on your pickled beets?  
Do you want it, do you, do you, hey?

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?

Do you want it on your black-eyed peas?  
Do you want it, do you, do you want it?

Do you want it on your collard greens?  
Hey, do you want it on your candy sweets?  
Do you want it on your pickled beets?  
Do you want it, do you, do you want it?

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Do you want it, do you, do you want it?

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Do you want it, do you, do you want it?

Do you want it on your biscuits, baby?  
Do you want it on your rice and gravy?  
Do you want it on your black-eyed peas?  
Do you want it, do you, do you?
