I'm sorry I have to drop the bomb this way, I mean

there's a lot of things  
I could say,  
I could tell you that, I really wanted to be with you, but  
you don't feel  
Me,. you can't hear me, I, I got to make this next move. I  
gotta do what a  
Sista's, gotta do.  
And if that hurts you, well then it hurts you.  
I gotta make a move, I'm gonna do it too like

Chorus

Boom boom boom boom boom boom  
Boom boom boomboom boom boomboom boom  
boomboom boom  
Boom

It's all boom, (I'm like boom x2)  
It's like boom. I gotta do what I gotta do son  
Shhh Grown woman, making decisions and choices  
Utilizing everything inside of me, my soul my heart my  
mind my voices  
So maybe, in the middle of the night, when the dreams  
just aint going right  
... I can use, a tug, a hug, a kiss, something, strong,  
something, fit, for a  
Queen  
... Something,... passionate, someone with esteem, a  
king,... that'll knock a  
Sister down (down x4 echo) like (like echo) boom

(Change music)

Boom,  
Boom, boom  
Boom  
Boom boom  
Boom  
Boom

You can hold me close, kiss me nice, talk to me, in the  
moonlight, you can  
Take my hand, be that strong man you can,  
Hold me close, make feel, so good and, strong as steel  
cause I am, I just  
Need you man, oooh  
I need to get closer, to where I was meant to be, I need  
to be, closer, to  
Where, I need to be... hey

T Talk to me in my ear, tell me things that I need to  
hear,

don't always have to be nice, don't always have to be.  
... But I need the truth from you, come and give it to me  
soon.  
Cause I need you, I can't take all of this without loving.  
... I'm tired of being strong all day, ooo  
I need to get to know you in a familiar way  
I can handle it all but in the middle of the night  
I need something right I need you. To get clos... errr  
Come a lil bit, come a lil bit closer boy  
I need yooou... to get, closer tooo. Oooo

Mmmm, can you feel the fire in me,  
Ow, I need you to make it burn baby  
It's all about the way you do what you do,  
I'm looking for the king in you  
Let me see it, soon

(Music)

Adlib

Closer,  
Closer,  
Come closer to me,  
Aye  
I need you to get closer  
Ooooahh oohh
