First flash, I'm blushing  
Like the way that he's touching  
Wanna stay, should I go?  
Not clear  
He's handsome, sexy  
Wanna bite him and bite him  
Minus talking, can't hear

Do I really wanna do this love soul bounce again?  
I wanna be sure  
Do I really wanna do this love soul bounce with him?  
Is there a cure?  
'Cause I gotta man  
I'll be connected, unaffected  
No question  
I'm a woman, I'm a woman, I'm a woman

Go slow  
Slow down  
Take your time  
Nice  
My emotions got my flying  
To a new height  
'Cause he's sweet  
And so deep  
He's the kind that I like  
Wanna have him  
Wanna school him  
Wanna be schooled all night, but

Do I really wanna do this love soul bounce again?  
I wanna be sure  
Do I really wanna do this love soul bounce with him?  
Is there a cure?  
Cause I gotta man  
I'll be affected, unconnected  
No question  
I'm a woman, I'm a woman, I'm a woman  
Let me breath

The question

Do we go after what we want  
Or what we need?  
When our mind says,  
Maybe this ain't the thing  
Oh, this dilemma
