*[Intro:]*

Yo, I'm tripping right,  
I heard you got married.  
You got married?  
No I mean, make any  
It don't really make any sense  
I mean, it's not like I, I didn't think you were  
seeing other people or whatever, I mean  
I was seeing other people but  
You know what this is,  
You know what it was, you tsch  
I can't say I really understand though  
You chose her cause she's sweet as pie  
Take what you give, even your life  
But baby, are happy without me?  
She scrubs your back, washes your clothes  
Gives you everything that ask for  
But don't you ever want more?  
Cause my love

*[Chorus:]*

My love is deeper  
Tighter  
Sweeter  
Higher  
Flyy-er  
Didn't you know this,  
Or didn't you notice?  
  
(My love, my love)  
My love is deeper  
Tighter  
Sweeter  
Higher  
Flyy-er  
Didn't you know this,  
Or didn't you notice?  
Mmmm, what we had don't need no words  
Deeper than anything you ever heard  
I ain't reaching baby,  
I know I should be your lady

You say you're happy  
You say you're great  
But you know and I know you really ain't  
You need to come be with me  
That's the way it's supposed to be

*[Chorus]*

Cause ohh,  
All I ever do is think about you baby  
I hold you in my arms inside my dreams  
And I know what I know and what I know is  
That no matter where you go  
You will always think of me

*[Chorus]*

*[Repeats with adlibs until the end]*
