I gotta admit, sometimes I feel weak  
For loving you the way I do  
It's beyond me, can't control it or force it to be  
You know, what I want it to be

I think about you so much  
When I'm with you and when I'm not  
It's deep, the way, just looking in your eyes  
Just changes my whole perspective

Nothing is more beautiful than loving you  
Holding you, being next to you  
Kissing your lips  
Taking my time with you

Nothing is more beautiful than loving you  
Holding you, being next to you  
Moving my hips  
Moving in time with you
