

Jill Scott "One Time"

Visit "[One Time](#)" on MotoLyrics.com

Never in my wildest days did I think
I'd find someone like you
I like your style
You're swift, you're agile
Everything about ya stays true

You stood before the sun almost struck me blind
You're so damn fine
(Thank you, baby)
(And I know that you are meant to be with me)
(Part o' my design)
One time

You be the salt, I'll be your pepper
Give you flava forever
Leave ya never, don't you know girl
I'm down for whatever

You'll be my lemon an' I'll be your tea
Pure and naturally
You'll be my leaf, I'll be your tree
Your very definition of real

Since you been goin' my way
Things have been goin' my way, yeah
Saturday, Sunday, Monday to Friday
I'm so happy, you just make me wanna say to ya, baby

Never in my wildest days did I think
I'd find someone like you
I like your style, you're swift, you're agile
Everything about ya stays true

You appear'd before the sun almost struck me blind
Girl, you're so damn fine
(Thank you)
(And I know that you're meant to be with me)
(Part o' my design)
One time

Like causing gas to function
You're my ambutteral conjunction

In the Cadillac with the trunk bumpin'
Always down for some, some, some

You'll be my feather, I'll be your wings
Goin' to fly things
Shinin' like some diamond rings
Enjoyin' what happiness brings

Since you've been goin' my way
Things have been goin' my way, yeah
Saturday, Sunday, Monday to Friday
I'm so happy you just make me wanna say to ya, baby

Never in my wildest days did I think
I'd find someone like you
I like your style
You're swift, you're agile
Everything about ya stays true

You stood before the sun almost struck me blind
You're so damn fine
(Thank you)
(To the girl, who needs to be with me)
(Part o' my design)
One time

Never in my wildest days did I think
I'd find someone like you
I like your style
You're swift, you're agile
Everything about ya stays true

You appeared before the sun almost made me blind
You're so damn fine
(Thank you)
(You are the one whose meant for me)
(Part o' God's design)

One time
(One time)
One time
(One time)
One time
(One time)
One time
(One time)

One time
(One time)
One time
(One time)

One time
(One time)
One time
(One time)
One time

Never in my wildest days did I think
I'd find someone like you
I like your style
You're swift, you're agile
Everything about ya stays true

Never in my wildest days did I think
I'd find someone like you
I like your style
You're swift, you're agile
Everything about ya stays true
